

installers directory

Experienced renewable energy professionals install high-performance, code-compliant systems, and will offer you service and support after the sale. As with any home improvement project, request references and certifications, and compare bids before you buy. Our readers continue to look to *Home Power* for referrals to RE installation professionals in their area.

For more information or to get your business listed in *Home Power's* installers directory, e-mail advertising@homepower.com.
